**Note:**

1. The Death/Total Permanent Disability benefit is paid if an Insured Event occurs while the Policy is in-forced.
2. The Paid premium is illustrated based on the Planned premium term. Details of the premium allocated to Policy Account Value are presented on the “Premiums and Charges Illustration” page.
3. The Bonuses in columns (3), (6), and (9) include Regular bonuses (if any).
4. The Surrender Value in columns (4), (7), and (10) are equivalent to the Policy Account Value minus the Surrender Charge.
5. The Withdrawal amount is illustrated based on the Policy Account Value of a high investment rate. The actual withdrawal amount might be lower than the presented amount due to Policy Account Value at the time of withdrawal. Withdrawal amount shall be made from Excess Premium Account (if any) first; then from Target Premium Account. The withdrawal presented is the amount after deducting Withdrawal Charge.
6. The Paid premium, Policy benefits, and Surrender Value are shown on the “Policy Benefit Illustration” page and shall fluctuate due to the actual investment result of the Unit-linked Fund. Details of the Policy and insurance benefits are specified in the Terms and Conditions of the Policy.
7. Under Circular no.135/2012/TT-BTC issued by the Ministry of Finance, this Sales Illustration shows the investment result during 20 Policy years. In case the Policy Owner keeps paying a premium to maintain the Policy effectiveness, the Fund value of the Policy shall be continued to accumulate with investment proceeds.

- Planned investment rate is assumed unchanged throughout Policy term.
- Planned investment rate is for reference only and is NOT GUARANTEED.

**INFORMATION ABOUT UNIT-LINKED FUND AND NOTION EXPLANATION**

**C. UNIT-LINKED FUND'S OPERATING PERFORMANCE**

Year	Strategic Accumulation Fund	Active Accumulation Fund	Strategic Growth Fund	Active Growth Fund	Year	Vietnam Inter-Bank Offered Rate (VNIBOR) 3 months + 3,5%	VNindex
Since Establishment (*)	19,42%	18,68%	65,19%	63,57%	Since Establishment (*)	14,33%	52,98%
2020	7,16%	7,37%	11,05%	14,06%	2020	5,78%	14,87%
2021	9,22%	8,36%	52,42%	45,47%	2021	5,00%	35,73%

**Note:**

- (\*) From 15/8/2019 to 31/12/2021.
- The operating performance of the Unit-linked Funds in the past are for reference purposes and are not the basis to ensure the results of the Unit-linked Funds in the future.
- Investment rates do not take into account the difference between the buying and selling prices or other charges that may be added for the Policy Owner.

**D. UNIT PRICING**

- Generali shall determine the asset value of Unit-linked Fund on Unit pricing date periodically once time per week (excluding vacations, unavoidable reasons).
- The asset of Unit-linked Fund is divided into equal sections named as Unit. Unit price means the price of one Unit when Generali sells or buys Unit on behalf of Policy Owner. However, Unit price might be various from each Unit-linked Fund.
- The Unit price of the Fund may increase or decrease depending on the investment results of the Unit-linked Fund. The performance of the Unit-linked Fund is NOT GUARANTEED and may give negative results.
- Unit-linked Fund value might be lower than paid premium and depends on investment results of Unit-linked Fund.

## INFORMATION ABOUT UNIT-LINKED FUND AND NOTION EXPLANATION

### E. POLICY OWNER'S BENEFITS PROTECTION AND ENHANCEMENT MEASURES

Generali shall apply the following measures to protect and enhance Policy Owner's benefits:

- Change the name of the Unit-linked Fund;
- Close Unit-linked Fund to transfer the assets to a new Unit-linked Fund with the same investment target;
- Divide, split and/or merge the existing Units of the Unit-linked Fund;
- Stop valuing the Units of the Unit-linked Fund and transactions relating to Policy in case the transaction at the Stock Exchange in which the Unit-linked Fund is investing is suspended;
- Other measures as requested by competent authorities and in respect of laws.

### F. POLICY OWNER'S RIGHT

- Decide allocation rate to each Unit-linked Funds
- Request to change the allocation rate
- Convert among Unit-linked Funds
- Pay Top-up Premiums for additional investment
- Withdraw money from the Policy Account (Withdrawal)

**INFORMATION ABOUT UNIT-LINKED FUND AND NOTION EXPLANATION**

**G. NOTIONS AND RELATED EXPENSES**

1. Target Premium: means the premium of basic benefits. Target Premium is allocated into the Target Premium Account after deducting the Allocation charge.
2. Rider Premium: means the premium of Rider(s) (if any). Rider Premium is allocated into the Target Premium Account after deducting the Allocation charge.
3. Instalment Premium: means the total of periodical Target Premium and Rider Premium of selected frequency mode.
4. Top-up Premium: means the amount Policy Owner pay additionally after fully paying Instalment premium of the current Policy year and previous Policy years. Top-up Premium is allocated into the Excess Premium Account after deducting the Allocation charge. The Top-up Premium must comply with minimum and maximum limitation set by Generali from time to time.
5. Target Premium Account: means the account consists of Units formed by Target Premium, Rider Premium (if any) after deducting the Allocation charge and Monthly deduction.
6. Excess Premium Account: means the account consisting of Units formed by Top-up Premium after deducting the Allocation charge (if any).
7. Policy Account: means the account consisting of Target Premium Account and Excess Premium Account (if any).
8. Allocation charge: means the charge deducted from Target Premium, Rider Premium and Top-up Premium before these premiums are allocated into Policy Account. Allocation charge is regulated as below:

Policy year	1	2	3	4	5+
% Target Premium	85%	67%	12%	5%	0%
% Rider Premium	60%	45%	15%	5%	0%
% Top-up Premium	2%				

9. Cost of Insurance charge: means the charge for providing insurability benefits as committed in Policy, deducted from Policy Account Value on Policy Monthiversary Date. Cost of Insurance charge includes Cost of Insurance charge of basic plan and Riders (if any).
10. Admin charge: means the charge used for compensation of expenses relating to Policy maintenance and providing information relating to Policy to Policy Owner, deducted monthly from Policy Account Value on Policy Monthiversary Date. In 2022, Admin charge is VND 39.000 per month and automatically increases by VND 2.000 per calendar year after that. In all circumstances, Admin charge shall not exceed VND 60.000 per month.

**INFORMATION ABOUT UNIT-LINKED FUND AND NOTION EXPLANATION**

11. Fund Management charge: means the charge paid for investment activities and management of Unit-linked Fund. Fund Management charge is calculated on the percentage of total asset of Fund before Generali declares Unit price and varies from each Fund as below:

<b>Unit-Linked Funds</b>	<b>Annual fund Management charge (% of total Fund asset)</b>
Strategic Accumulation Fund	1,5%/year
Active Accumulation Fund	1,5%/year
Strategic Growth Fund	2,5%/year
Active Growth Fund	2,5%/year

12. Surrender charge: means the charge borne to Policy Owner when requesting to surrender Policy. Surrender charge of Target Premium Account is regulated as below:

**a. Target Premium Account**

<b>Policy year</b>	<b>1 - 4</b>	<b>5+</b>
<b>Percentage of first Policy year Premium at the time of Policy issue</b>	30%	0%

In case Target Premium Account Value is lower than Surrender Charge, Surrender Charge shall be Target Premium Account Value at the time of surrender request.

**b. Excess Premium Account**

<b>Policy year</b>	<b>1 - 4</b>	<b>5+</b>
<b>Percentage of Excess Premium Account Value</b>	5%	0%

13. Fund switching charge: In every Policy year, Generali shall waive Fund switching charge for the first five Fund-switching requests. From the 6th request onwards, Fund switching charge is VND 100.000 per time and deducted from the request switching amount.

14. Withdrawal charge is a charge to the Policy Owner when partially withdrawing the fund value. (1) From the Target Account: free of charge. (2) From the Top-up Account: 5% of the withdrawal amount for each withdrawal during the first 04 Policy years, free of charge from the 5<sup>th</sup> Policy year.
